

Mumbling Cow Pubs

The Pub is a place for shady deals. Here you can get coins, or information... if you're lucky.

Come on in! The four Mumbling Cow pubs in Five Town County are always open. Here you can quench your thirst. You also flip a Pub card entering, and follows the instructions

If you're lucky, the Pub cards can give you golden coins you can use for bribes or to buy Holes, Havens or even extra steps, or useful information that gives you advantages in the game.

You find persons of all kinds at the pub, You could be unfortunate enough to come across some of the greedy or loose characters sneaking around.

Just remember: even if you enjoy the pub, you can only stay for one round. But you're always welcome back
