Geometry Strategy® is a strategic board game for 2 to 4 players aged over 12, where the first player who places their Sphere on the board's Bullseye is the winner. Now, how hard can that be? Well, imagine having 1,2 or 3 opponents trying to stop you and take you out of the game, and your Sphere has no defense...

Add a Red Zone where everything changes and you get this unique strategy game.

It takes approximately 15-60 minutes to play. The good looking game box includes 1 game board, 4 sets of 10 playing pieces, 4 Challenge Ranking Lists, 15 Red Zone cards and 1 Instruction sheet. Geometry Strategy® is available from February, 2016.
