

The Game board

Welcome to Five Town County.
First Candidate to unlock the door to
Evercent Springs with their Silver key
will be appointed Mayor.

The four Candidates start in their home towns.
By maneuvering your Candidates and Companions
over the board, you make your way towards
Evercent Springs; and stopping your opponents
from getting there.

At your turn, move one piece,
one or two steps.
Full speed ahead. Sneaky
detours. Stop by the pub. Dig a
Hole. Whatever gets you and
your Silver key first to the
locked door works.

Blacksmith Square.
Where it all starts.

The great door to Evercent
Springs. Where it ends.
